The County is a diverse landscape for grape growing, strongly influenced by maritime variations. Cool nights and warm days contribute to layers of fog that creep into Sonoma's interior valleys from the Pacific Ocean, moderating the intense California sun.

Winexpert's Estate Series Sonoma Valley Pinot Noir has silky tannins carrying notes of truffle, toast, herbs, gorgeous cassis, black cherry and raspberry flavours and black spice. Food-friendly, it shows restrained toasty oak and well-balanced acidity.
