

Island Mist™

Island Mist is a delicious alternative to everyday wines and wine coolers. Combining the crisp freshness of distinctive varietal wines with full fruit flavours, this unique winemaking kit makes a fun, refreshing wine-based beverage to enjoy any time.

Kiwi Pear Sauvignon Blanc

As summer approaches, it's time to start thinking about how to cool off. We're excited to offer a deliciously refreshing new Island Mist variety, **Kiwi-Pear Sauvignon Blanc**.

Crisply tart, and delightfully fruity, **Kiwi-Pear Sauvignon Blanc** is wonderful for sipping when chilled, poured over ice to beat the heat, or mixed into delicious party drinks to share with friends around the grill or poolside. Like Sauvignon Blanc grapes (with their gooseberry and grassy notes) kiwi fruits grow on vines, and have a luscious combination of pineapple, and banana flavours, which meld beautifully into the soft, rich pear aromas of this wonderfully refreshing beverage.

Ready to drink in only four weeks, now is the right time to start your Island Mist, so you can be ready for the beginning of the summer sipping season! Your friends will love it!

For a great barbecue party drink, try our **Island Mist Kiwi-Pear Sauvignon Blanc Summer Slammer**:

- 2 Bottles of Island Mist Kiwi-Pear Sauvignon Blanc
- 2 Pears, peeled, cored, halved and cut into thin slices
- 2 Kiwi fruit, peeled and sliced into 1/2 inch rounds
- 2 Tablespoons of fresh squeezed lime juice
- 4 Ounces of orange liqueur
- 2 12 ounce cans of Club Soda

Combine the **Island Mist Kiwi-Pear Sauvignon Blanc** with the fruit, lime juice and orange liqueur and cover in the refrigerator overnight. Just before serving, gently stir in the Club Soda. Serve over ice, garnish with a lime wedge and be sure to have plenty of tasty snacks and happy friends on hand!
